CITY OF SAN JOAQUIN

REQUEST FOR PROPOSALS (RFP) FOR ON-CALL ENGINEERING SERVICES FOR FEDERALLY FUNDED TRANSPORTATION PROJECTS EXTENDED TO FEBRUARY 22, 2019 AT 4:00 PM.

On January 18, 2019, the City of San Joaquin released a Request for Proposals (RFP) from qualified consultants for on-call engineering services for federally funded transportation projects.

The City has modified this deadline to February 22, 2019 at 4:00 pm to submit written proposals. The RFP and associated materials can be found at the City's website at www.cityofsanjoaquin.org or obtained by contacting Mrs. Lupe Estrada via email lupee@cityofsanjoaquin.org.

Consultants interested in submitting an RFP are responsible for checking the City's website regularly for updates. All proposals received in advance of the February 15, 2019 deadline will still be fully considered. Those consultants who previously submitted a proposal do not need to take any action but may amend or augment their response before the new deadline of February 22, 2019 at 4:00 pm.

Any questions related to this RFP shall be submitted in writing to the attention of Mrs. Lupe Estrada via email lupee@cityofsanjoaquin.org.
